- ⇒ More

YOUR ITINERARY

Day 1 - Our deluxe motor coach departs Central Kansas with pickups en route along I-70. As soon as everyone is on board you'll begin to meet your traveling family and learn why each person has something special to contribute to the travel adventure you are going to enjoy for the next four days. Frequent rest and meal stops make the time pass quickly. Before you know it you are checked into your comfortable hotel accommodations with time to rest and relax before departing for your special **WELCOME TO OMAHA DINNER**. (D)

Day 2 - Then, it's off to the **WORLD'S LARGEST INDOOR JUNGLE, SWAMP & DESERT -- NEBRASKA'S TOP TOURISM ATTRACTION**. One of the top five zoos in the United States and the World's Largest Indoor Swamp. You'll also thrill to the Desert Dome and Indoor Jungle. New is the amazing "Gorilla Valley" exhibit where you walk in a glass tube across a valley of gorillas. Lunch will be on your own at the zoo. After relaxing you depart for **OMAHA'S OLD UNION TRAIN STATION** where you will enjoy an **OLDE FASHION ICE CREAM SOCIAL**. You will travel back in time and explore Omaha's past throughout the museum. The finishing touch of your visit is a stop at the authentic soda fountain where you enjoy an "included" ice

cream specialty. You'll go back to the hotel to relax and prepare for tonight's **TITANIC DINNER - OMAHA'S #1 GROUP ATTRACTION**. You will travel back in time at the Renaissance Mansion to the fateful night of the sinking of the world's most famous luxury liner, the R.M.S. Titanic. You will enjoy an authentic eight-course meal from the ship's original turn-of-the-century menu and enjoy the company of such notables as Captain Smith. (CB, D)

Day 3 - After a restful night and a filling continental breakfast you will be off to enjoy **OMAHA'S BOTANICAL CENTER** where you will discover the beautiful gardens of the Lauritzen Gardens. As a PGA bonus, you'll be taken by tram through Native Nebraska wild flowers and grasses. You'll also enjoy an herb, Victorian, Rose and Perennial gardens along with many more. You'll view an arboretum and bird sanctuary, which demonstrates how to attract and identify Midwestern birds. Travel to West Omaha to the world-famous **FATHER FLANAGAN'S BOYS TOWN (GIRLS AND BOYS TOWN)**. An actual working town, Boys Town is an inspirational stop. You will visit the hall of history, view a number of beautiful chapels and tour the restored 1920's home of Father Flanagan. You will see the actual workings of the town that were featured in the famous 1930's movie, "Boys Town" with Spencer Tracy and Mickey Rooney. Lunch on your own at Boys Town Café before departing for your guided **CLAAS OF AMERICA FACTORY TOUR**. The tour includes a welcome, model introduction, CLAAS & Lexion Introduction and Facility tour. Next, time will be spent in the **HISTORIC OLD MARKET AREA**. Your PGA host will accompany you and have suggestions of things to do. You will then be transported to the **HEARTLAND OF AMERICA PARK** where you will enjoy a large **GONDOLA BOAT RIDE** and a **COLORFUL EVENING LIGHT SHOW**. (CB)

Day 4 - This morning enjoy **STRATEGIC AIR & SPACE MUSEUM**. You will see history come alive with 300,000 square feet of space, including WWII and Cold War aircraft and artifacts. Your **GUIDED GROUP TOUR** includes a visit to the restoration area of the museum. All too soon its time to start back home. En route you will experience the **GLASS CHAPEL IN THE COUNTRYSIDE -- HOLY FAMILY SHRINE**. This beautiful chapel was built by three strangers who were brought together with the same vision -- to build a glass chapel on a hillside for travelers. The chapel has had a miracle healing and is also well-known for its beautiful wildflowers that surround the visitors' center and chapel. As the prairies of Nebraska and Kansas meld together you will reflect on everything you have done the last four days. You will have been surprised -- you will be pleased. A late afternoon arrival will find you back home. (CB)

*Admissions are included for CAPITALIZED items.
CB = Continental Breakfast, D = Dinner!*
